

The Programme d'échanges linguistiques intra-Québec (PÉLIQ-AN) provides grants to help cover the costs of language exchange projects that teachers wish to organize with their classes. The procedure for submitting a grant application is outlined below.

PROCEDURE

- 1- The two partner teachers (project co-leaders) who wish to organize a language exchange project for their classes jointly fill out Part I, **General Information** (page 2), and Part II, **Project Description** (page 3) of this form.
- 2- Each project co-leader then fills out Part III (**Proposed Budget for the Project**, page 7) individually, entering the anticipated costs of having his or her class participate in the project. The detailed instructions for completing the budget table are found on page 6.
- 3- Each project co-leader then sends the duly completed and signed form to the program coordinator by mail. They can also ask their principal to e-mail the completed electronic form to the coordinator of the PELIQ-an program at the Direction des services à la communauté anglophone (DSCA) at rocio.vilca@education.gouv.qc.ca. In such cases, there is no need to sign the Grant Application Form.
